FEATURES

1. **Durable, Lightweight aluminum frame** is substantially lighter and easier to roll than other steel carts.
2. **Smart Door:** Lightweight perforated locking rear door allows unparalleled ventilation with maximum security. When open, it lifts off easily for enhanced serviceability.
3. **Smart Tank:** Convenient, secure "E" tank storage.
4. **Smart Keyboard Tray:** Hidden keyboard tray slides away behind front panel.
5. **Smart Drawer:** Spacious 5" tall locking storage drawer locks independently of front door. Drawers lock independently and have separate inventory control tag hasps.
6. **Smart Cord:** Power Cord wrap is conveniently located for easy access.
7. **Smart Power:** 6 conveniently located receptacles next to shelves organize power cords and make connections easy. 2 convenience outlets on outside of cart.
8. **Smart Shelves:** Shelves are vertically adjustable, velcro straps keep equipment secure and wiring neat and organized.
9. **Smart Button:** One touch, to control power to all equipment simultaneously.
10. **Smart Wheels:** 5 inch, easy to move, conductive, anti-static, front locking castor wheels make transport easy.

OPTIONS

- A. **Isolation Transformer:** Integral 1000VA transformer ensures low leakage protection regardless of equipment used.
- B. **Choice of Three Top Configurations:**
 1. Flat Worksurface
 2. Swivel + Tilt CRT Monitor Pan with security straps.
 3. Flat Screen Monitor Arm: Extends 26 inches - 13 inches of vertical travel.
 4. Flat Screen Front Mounted Monitor Pedestal
- C. **IV Pole:** Saves space by elimination of need for additional equipment.
- D. **Folding Side Shelf:** Provides additional surface space for extra equipment/storage. (not shown)
- E. **Flat Panel Short Arm:** This arm allows a second LCD monitor or a touch screen to be viewed from the front, side, and rear of the cart.
- F. **Security Mounting Strap:** Provides extra protection against equipment loss. (not shown)
- G. **Replacement Plastic Drip Proof Top Working Surface Trays**
